Short-Term Investments That Are Safe

Satisfactory short-term investments in the shape of stocks and bonds are not readily found. Most of the choice securities have a number of years to run.

However, there is one security that we can recommend without any reservation whatever to those having funds for short-term investment—our interest-bearing Certificates of Deposit.

Any amount from $1.00 up can be invested with the assurance of absolute safety and for such time as is desired. They will be found just as satisfactory for long-term as for short-term investment.

You are invited to call on us for full details.

THE GREATEST FARMER IN THE WORLD

One-fourth of the wheat we grow is the result of the researches of the Government. After years of untiring experiment and investigation, the Government, through the Department of Agriculture, was enabled to introduce into this country the remarkable Durum wheat through which our production has been increased fully twenty-five per cent. This has been only one of many surprising but little-known accomplishments of the Government, which are covered in the interesting series of stories for which we have the exclusive right of distribution in this community.

We'll send this literature to you each month without obligation on your part if you will ask for it.

Poultry Culling

Last year I held twenty-six culling demonstrations which were attended by 252 persons. I handled 958 hens and threw out 434 as culls. This is the proper time of the year to cull and any person who wishes to have a culling demonstration held on his place should write me at once and I will let you know what day I can come. I will expect you to have ten or fifteen of your neighbors present. I would gladly cull every flock in the county, but this would be an impossibility for one person therefore I am asking that we do this work in groups. Culling is easily learned and I can show ten or fifteen persons how to do it with the same accuracy as one, which will mean a big saving in time

Ernest E. Gills

This esteemed countyman passed away at his home here Saturday evening at 8 o'clock and soon after his home was crowded with friends of the family. Ernest quit the road and came home to die of an incurable disease—brights. He lingered for two months under the care of his physicians and trained nurse and yielded up the fight Saturday. He had been a faithful representative of the Craddock Terry Shoe Co. for thirty years and in all his dealings with the public and his concern he was frank and correct and enjoyed their confidence and esteem. He had been a deacon in his church here for many years, had served his Masonic Lodge from the day of its organization and in every trust he has proven loyal and faithful. He was popular with those who knew him and his daily walk was by the faith of his Master.

He was 57 years of age and was a son of W. H. Gills of this county, who served the county at one time as treasurer. He is survived by his widow and four children: Miss Louise, Robert, James and Teddy. He also leaves two devoted brothers: W. P Gills, Appomattox and James Gills, of Lynchburg.

Rev. H. P. East preached the sermon while the Masonic lodge had charge of the services, R F. Burke and District Deputy Master C. N Danforth of Burkeville were masters of the lodge and his body was interred in Liberty cemetery.

The pall bearers were R L Burke, Dr D N. Twyman, Dr. W. D. Ould, C. W. Hancock, A. T. Inge and L. E Smith.

The honorary pall bearers were: A. R. Harwood, J. T. Cheatham, J. R. Caldwell, J. T. Cole, Geo. W. Coleman, Dr. J B. Abbitt, Don Moses, C A. Hancock, J. W. Cawthorn and E F. Sheffey.

The Monroe Lodge assisted by the lodges at Pamplin and Concord.

Has Never Seen His Country.

The only United States marine in the world who has never seen the United States is on duty at the American legation in Peking, China. He is Private C. W. F. Childress, who was born of American parents in China. When he became of age a few weeks ago he decided to join the marines and enlisted at the legation.

Childress is a tall, good-looking young man who can speak the Chinese language like a native. His services as an interpreter are especially valuable to the marines. Through association with his parents and other American residents of China he is thoroughly familiar with the traditions and customs of the United States. He is looking forward to the day when he will see the country whose flag he serves.

White Mule.

Dixon H. Bynum, assistant city attorney, comes forward with an explanation as to how "white mule" got its name. Mr. Bynum, who did government legal work in the southwest, says that the term come into use in connection with the efforts of the government officials to stop the traffic of liquor among the Indians.

Whenever an Indian was caught with liquor, he invariably told the same story as to how he got it.

Every Indian, it seemed, got his liquor from "a one-eyed negro on a white mule riding west."—Indianapolis Star.

A Wish

"I HAVE TAKEN Cardui for run-down, worn-out condition, nervousness and sleeplessness, and I was weak too," says Mrs. Silvie Estes, of Jennings, Okla. "Cardui did me just lots of good—so much that I gave it to my daughter. She complained of a soreness in her sides and back. She took three bottles of Cardui and her condition was much better.

"We have lived here, near Jennings, for 26 years, and now we have our own home in town. I have had to work pretty hard, as this country wasn't built up, and it made it hard on us.

"I WISH I could tell weak women of Cardui—the medicine that helped give me the strength to go on and do my work." *This card fulfils her wish.*
